

## Chip Walker

Co-Lead, Emergency Preparedness and Response, **Census Bureau**

Chip Walker is the Co-lead for the Census Bureau's Emergency Preparedness and Response Team. Since coming to the Census Bureau in 2006, he has worked on the development teams of OnTheMap for Emergency Management, and Census Business Builder. Most recently, he was the project lead for the Census Bureau's COVID-19 Interactive Data Hub. Prior to the Census Bureau, he worked on Census Bureau issues on Capitol Hill.
